Price per Unit (piece): [Call for Pricing](#)

This parka is designed for aquatic athletes who demand exceptional thermal protection. Features water repellent coated outer nylon shell, arctic fleece inner lining, and reinforced seams and lined pockets. This parka is ideal for cold weather and it is for all sports - it locks in body heat and locks out wind and moisture. Drawstring on hood is strong and long-lasting. This style is popular and perfect for all year long! This parka is warm and comfortable. **Black arctic fleece Lining.**

Features:

- Water resistant outer nylon shell
- Arctic fleece inner lining
- 2 lined pockets with YKK zippers
- Drawstring hood to trap in warmth

Available Colors:

- Black Navy Red
- Custom colors available with orders over 200 (please call for details).

We recommend parent should purchase 1 or 2 size larger for children to expect that they can carry over for next year.
